There's a thousand and one things to remember the O.H.Y.A. Dances - too good to be true - with Bill and every-body stoned - and him "supposedly" acting his forger on that record player, our ways with the chaperones and dress codes - "No lady" set the rules at home, it says - "no it doesn't" - "oh yes it does my dear, it doesn't seem to" (burrrr) - that road'll never be here - "Oh yes it does" - "no it doesn't" - "Hear me out" - "I think this is a year to be put down in history" - "talk about dresses" - "Oh yes it does" - "leaf leaf - my dear, it says nothing about dresses - white or black" - "I don't know" - "Ha ha - (have sunglasses - will travel) - (Sunglasses - dung up christians) - talk about see it - ha ha - (I have same sunglasses without your knowing) - I think it's a ..." - "Do I see?" - "yea" - "yea" - "Do I see?" - "yea" - "yea" - "Do I see?" - "yea" - "yea"

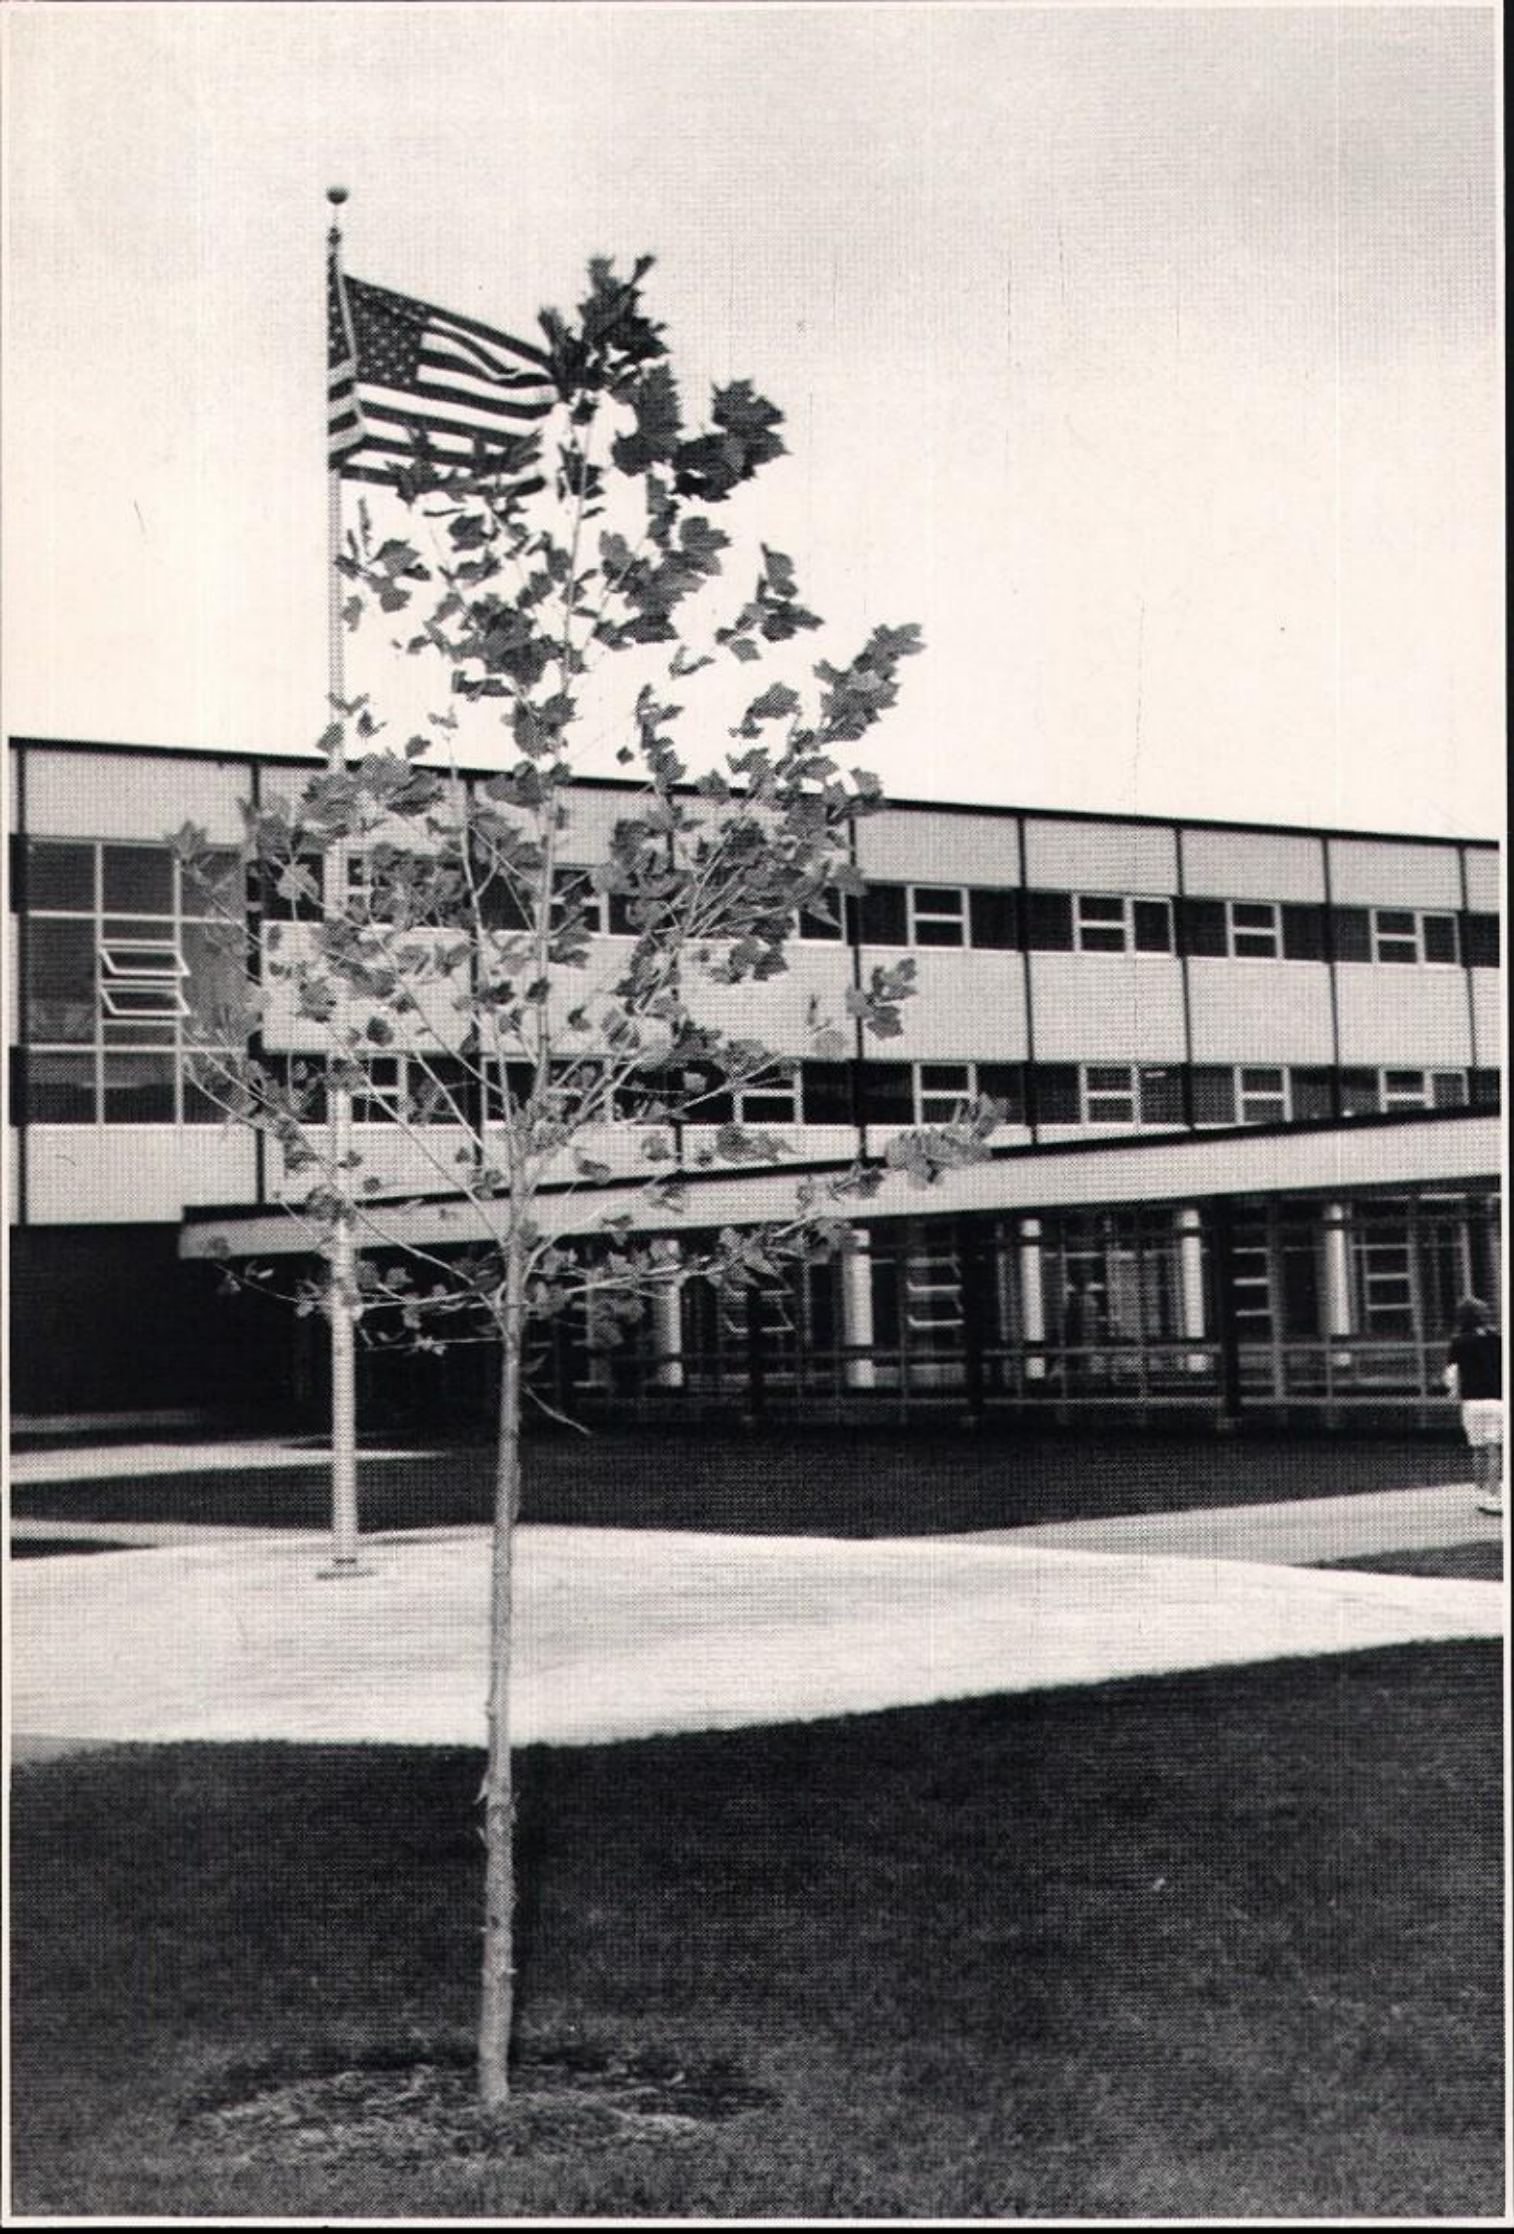
# *DEDICATION*

*In 1949, Mr. Fred Fuller was appointed vice-principl of Cherry Road School; the following year he became principal. While serving in this capacity no detail in the accomplishment of his goals was too small to absorb his total interest, from the selection of venetian blinds for the kindergarten to the staffing of the school with the finest teachers. Building programs within the district were supervised by this patient, persevering, individual. When in 1958 the Westhill District was centralized, Mr. Fuller became the first district principal; taking upon himself more responsibility and hard work. Resigning from this position in 1963 Mr. Fuller joined the Westhill faculty to teach 7th and 8th grade mathematics. Students in his classes recognize him as a conscientious, devoted teacher. Fellow faculty members know him for his warmth and sincerity.*

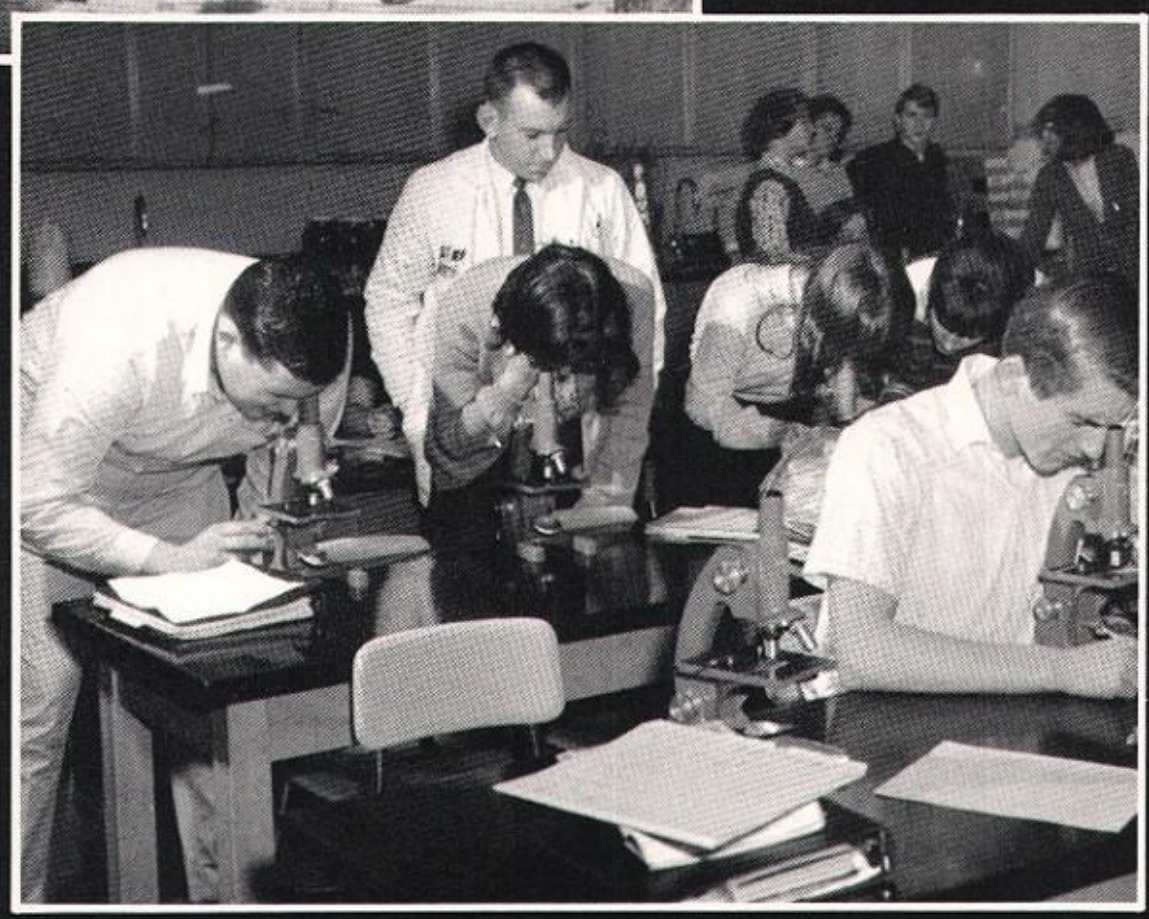
*We, the staff of the 1966 Warrior, dedicate this yearbook to Mr. Fred Fuller for his years of unselfish service to the school.*

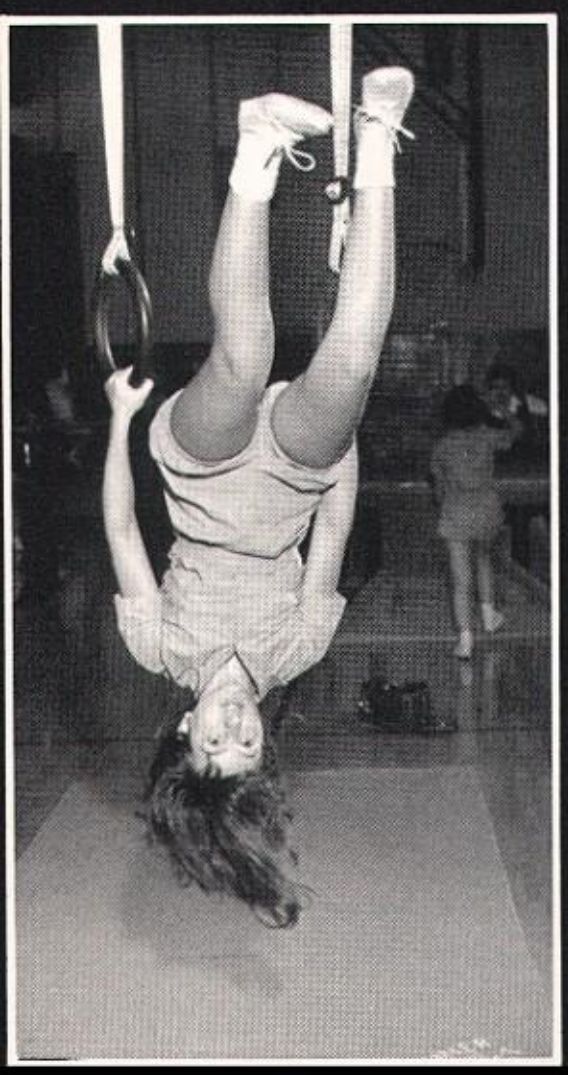


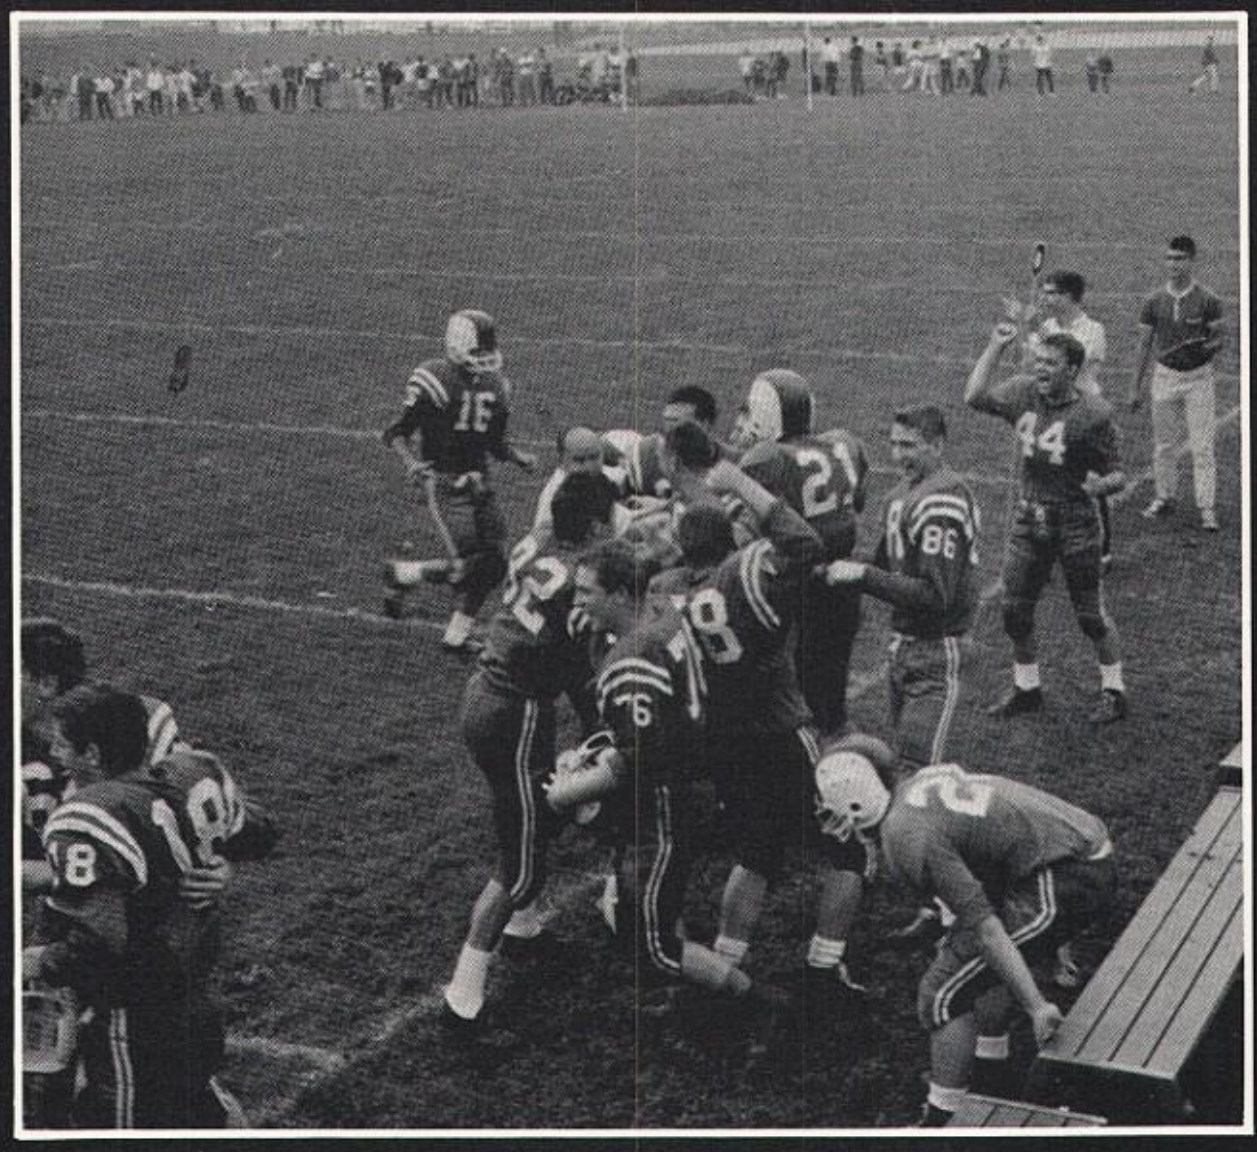
# *ALMA MATER*

*Among the tall and verdant hills,*
*All clothed in majesty;*
*Oh, gracious Alma Mater, you stand,*
*Thy beauty for all to see.*

*We come to thee with open thought,*
*In quest of knowledge pure,*
*We ask thy light be shined on us,*
*Our wisdom to nuture.*







*All hail to thee fair Westhill,*
*Thy fame we acclaim;*
*And sing out in praises*
*Thy glorious name.*

# STUDENTS

# *SENIOR CLASS*

*The first eighth graders in the new high school building! There were new faces, new books, and new teachers to become familiar with. A roller skating party; a Surfing Sophomores dance; a Junior Prom, "Silver Twilight"; and a light bulb sale were in the future for this class. There was the senior play, "Take Her She's Mine"; a banquet at Auburn Inn; a candy sale; and the Senior Ball before graduation ceremonies in the War Memorial. The five years that once seemed an eternity had arrived. Now, we, the Class of 1966, must leave Westhill.*

*SENIOR CLASS OFFICERS*

*Eric Sauda..... Treasurer*
*Sydney Tyler ..... Vice-President*
*Pat Hofmann ..... President*
*Sue Bates..... Secretary*
*Advisor.....Mr. Robert Nash*

*TO THE CLASS OF 1966:*

*You, the Members of the Class of 1966, can be justly proud of your record at Westhill. Both as a class and as individuals you have won significant honors. In keeping with Westhill's developing tradition you have given new momentum to our drive for scholastic excellence. Equally commendable, the great majority of you have helped to promote a high standard of human conduct in the affairs of our school. Nothing could be of greater importance in the history of your class; no value more essential to the proper development of your stature as members of our society.*

*It also seems appropriate to remind you that this part of your life should be more a time for looking ahead than a time to live in reflections of the past. Set worthwhile goals and ideals for yourselves; face your future with enthusiasm and confidence; and above all else accept a determination that our world will be a better place because of your influence.*

*On behalf of our faculty and staff, I extend congratulations to you—not alone for what you have been but, more important, for what you are becoming.*

*Sincerely,*

*IVAN W. BEAMS*

*Broadloom and Rug Specialists*

I really do not have a lot of confidence in yearbook advertising reaching any immediate carpet buyers, but I do remember that, way back in the Dark Ages (1933, that is), the faculty advisors said that, as president of my class and a football, basketball, and track man, I should also go forth and sell yearbook ads . . . . . You young folks won't recall that 1933 was in the depths of the Great Depression (ask your parents) and selling anything was like pulling teeth . . . . . So somehow there's a soft spot for you guys and gals that are doing it today . . . .

Just remember Carpet City when you reach the stage where carpet becomes important too . . . (make college your top thought now).

Sue,

In all the years I've known you
I have never met (Ot, Wallace shut-up)
such an "unusual" person, besides myself of course.
You do such stupid things sometimes, that I
question your intelligence, although you seem
pretty bright most of the time. In your senior
year-book I'll put a lot a mush about
how much I've loved having ya around.
But I'll see ya for 4 yrs. yet.

Thanks for telling me
write first.

Love Ya.
Chris

P.S. You can put a mustache
on my picture if you want.

Sue,
Good luck
in the future. Stay
as nice as you are.
I hope I see you
next year.
Cathy.
